

LED CHANNEL DIFFUSERS & MOUNTING BASE

Dramatically diffuse and protect light pixels with specialized LED Mounting Channel!

Ideal LED mounting channel lens and separate base for walls, ceilings, under cabinets, counter lighting, cove lighting, vanity/bathroom, bars/restaurant, theatre/night clubs, signs and displays. Available in an array of colors and patterns to fit your purpose. Lens is extruded from durable polycarbonate and acrylic frost materials. Base is available in polycarbonate or aluminum.

Channel can be installed either horizontally or vertically. Mounting Channel can easily attach with double sided tape or screw on, no clips needed. Available in 48" and 96" lengths.

Call our LPS Team for a quote on your next LED project.
