

**A.L.P.**  
**AL SERIES**  
**Straight Blade Aluminum Louvers**

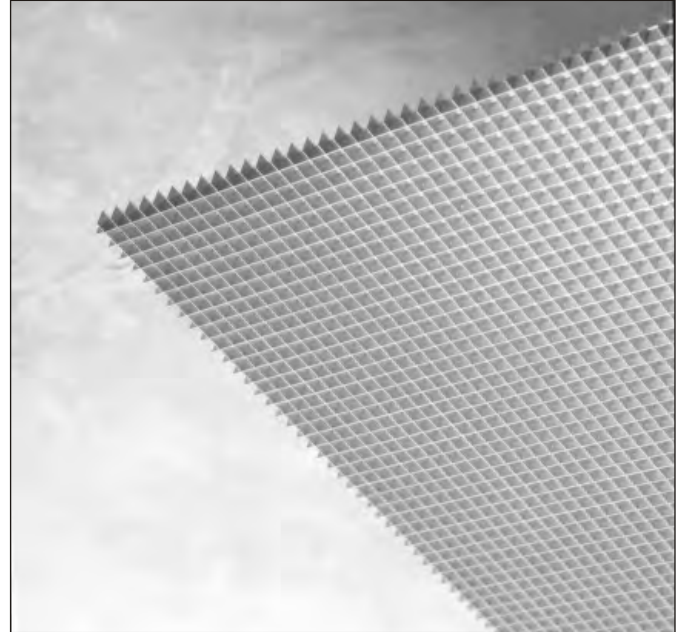

**AL Series**

**DESCRIPTION**

A.L.P. Aluminum Louvers are engineered to be of the finest quality and offer a **wide range of available sizes**. The open grid design allows **air to circulate freely**, making this an ideal medium combining **light control, air control, and aesthetics**.

Aluminum Louvers are **non-flammable**, open grid material and may acceptable for installation in applications governed by the **most stringent fire codes**. **Check** with your **local building code authority** for **final acceptance criteria**.

**Note:** Special finishes, colors and sizes are available.
